THE GEORGE WASHINGTON UNIVERSITY
WASHINGTON, DC

AN INTERNATIONAL COMMUNITY AT A GLOBAL CROSSROADS
The George Washington University (GW) is a mid-sized research university located in Washington, D.C., just blocks from the White House. Our nearly 10,000 undergraduate students come from all over the globe to fine-tune their cross-cultural understanding by living and learning with students from other countries, building a network of friends, and preparing to succeed in a global setting. Our students put their knowledge in action every day through research, internships, and community service.

**A Capital Location**

GW’s Foggy Bottom Campus is blocks from the White House, the U.S. Department of State, the World Bank, the International Monetary Fund, and the Kennedy Center for the Performing Arts, to name some of our high-profile neighbors.

D.C.’s east coast location puts GW students a short train ride away from Baltimore, Philadelphia, New York, and Boston.
